

Watercraft & Ports Building Solutions

Ⓞ Port Authority Buildings, Cargo Centers and Warehousing Buildings

Britespan offers the ideal solution for port authority buildings, with quick and efficient construction for structures up to 300' wide to any length. The extraordinary clearance and unobstructed interiors make it easy to store and service watercrafts of any size. Ideal for maintenance facilities and seasonal storage, these engineered structures will enable you to provide watercraft service and repair programs year-round.

When you buy a Britespan fabric building, you automatically get support from our network of local experts. Dedicated to you, our dealers are experienced in providing support from project inception through completion.

"We store and protect our boats and maintenance equipment in Britespan buildings. The buildings allow us to run our preventative maintenance programs year-round."

The Britespan Advantage

Natural Light & Ventilation

With bright, natural lighting and abundant ventilation inside, a Britespan fabric building provides a comforting environment.

Wide Open Interiors

With no interior columns, you can maximize useable storage space and easily maneuver heavy equipment and vehicles.

Engineered Solutions

All of Britespan's structures are uniquely engineered to meet specific weather conditions and building codes.

Speed of Construction

Utilizing a pre-engineered and modular design, all of Britespan's fabric structures are built faster than conventional buildings.

Corrosion Resistant

Britespan trusses are hot dip galvanized, post fabrication, to prevent any rusting, providing lifelong corrosion resistance.

Local Support

When you buy a Britespan fabric building, you automatically get support from our network of "Local Experts".

Replacement & Repairs

Cover replacements require precise fit and proper cover installation techniques. Our expert installation crews work from original drawings and specifications to provide you a cover that meets or exceeds the original specifications. With local dealers and industry experts across North America, Britespan is there when you need us.
